## Author Biography

# Bob Wendover

Bob Wendover teaches people how to make better daily decisions. After all, daily decisions determine our destiny. He is the award-winning author of eleven books including *Figure It Out: Making Smart Decisions in a Dumbed-Down World*, *Overcoming Overwhelm: Practical Strategies for Beating Decision Fatigue*, *Interviews Don't Work*, and the forthcoming *Work Wise: Improving Performance in Today's Driven, Demanding and Distracting Workplace*.

Bob's company, Common Sense Enterprises, helps employers improve workplace decision making. Over the past 32 years, he has traveled more than a million miles speaking to groups of leaders and managers from the towers of Wall Street to the bush of Alaska. He has served on the management faculty for the University of Phoenix for more than ten years, as a special advisor to the American Productivity and Quality Center (APQC) and on numerous workforce studies.

Bob is an avid hiker and mountain biker. He and his wife live in the foothills southwest of Denver, CO.
